UJK MFT Plugs - Pack of 40

[SKU- 109807](#)

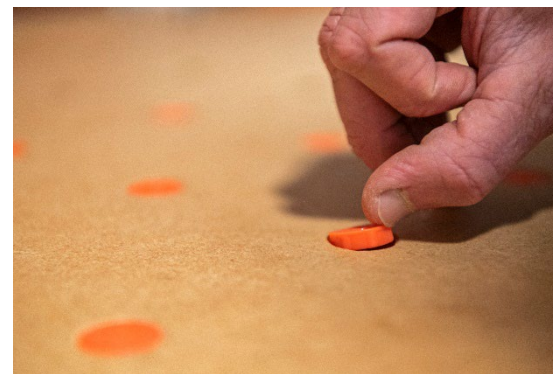

Product Description

The perfect solution to prevent items dropping through the 20mm holes of your MFT - it's happened to the best of us! Eradicate the problem with UJK MFT Plugs.

Supplied as a pack of 40, our MFT plugs will cover either half or the entirety of your MFT. Removal from your MFT is quick and easy, no extra tools are needed for use in unison with our plugs thanks to the handy, unique, finger catch feature. A simple, cost-effective addition to your workshop that will make a big difference.

Key Features

- Fits perfectly into 20mm holes of your MFT
- Easy removal thanks to a finger catch
- Made in Britain
- Supplied in a pack of 40
