PELICAN CART 80L

Taking you to the next level of performance.

The ultimate transport cart to compliment the PortaMix® Mega Hippo. If you want to move it and pour it – The Pelican! Like The Mega Hippo, The Pelican has a well-balanced design that allows one person to transport and pour with ease and precision, leaving The Mega Hippo do what it does best, mixing.

PortaMix® Pelican Cart: BENEFITS AT A GLANCE

- Holds a full Mega Hippo mix
- Accurate pour control with large handle and defined pour spout
- Easy clean canister with no rim or edges
- Castors with 'Splatter Guards' to ensure bearings remain clean
- Easy-roll manoeuvrability with all swivelling castors
- Compact design for use through standard doorways
