REACH regulation on SVHC

According to Article 33 of REACH regulation (EU regulation no. 1907/2006) we are required as supplier of products to give you as our customers notice if products contain substances identified at the candidate list in concentration above 0,1 percent weight by weight.

We acknowledge the responsibility by confirming below absence of Substances of Very High Concern – SVHC.

We hereby confirm that none of our brand products contains any substances mentioned in the SVHC “Candidate list” in a concentration above 0,1 percent – weight by weight.

On behalf of ID® Identity.
