## AB FOOT LOOP

The AB FOOT LOOP is a comfortable and clean step-in loop, allowing quick and easy foot entry. Its innovative length adjustment buckle is the shortest in the sector, fits directly on the carabiner, passes over carabiner gates, and is intuitive for use. The length is tailored for possible pick-off rescues and features an additional elastic foot holder in case fastening of the foot loop onto the foot is needed. Entirely in Dyneema for no stretch, very good sliding properties over carabiners in pick-off rescues and an easy to pack size. The free end of the webbing is kept aligned with the working end by a short cord and one polymer O-rings.

### FEATURES

Application areas:	LEAF, Rescue, RBA rigging
Colour:	Black

### DIMENSIONS

Rope length:	0.50 m
Size:	Unisize

### MATERIAL

Material:	Aluminium, Dyneema
