| PRODUCT CODE       | CSA4007 (One Size)                                                                                                                                                                                                                                                                                                                                                                    |
| PRODUCT NAME       | CleanSpace AGILE Facepiece Bib                                                                                                                                                                                                                                                                                                                                                        |
| DESCRIPTION        | <p>The CleanSpace AGILE Facepiece Bib, or “Bib,” is a replaceable component of the loose-fitting Half Facepiece assembly. It is constructed from flexible neoprene material and incorporates a frame that securely attaches to the transparent mouthpiece. For users with facial hair, the bib is designed to position lightly under the chin and rest over the top of the beard.</p> |
| FEATURES           | <ul style="list-style-type: none"><li>• One size fits all</li></ul>                                                                                                                                                                                                                                                                                                                   |
| SPECIFICATIONS     | <ul style="list-style-type: none"><li>• Bib Product Weight: 32g (approx)</li></ul>                                                                                                                                                                                                                                                                                                    |
| MATERIALS          | Neoprene Material   Nylon Frame                                                                                                                                                                                                                                                                                                                                                       |
