Declaration of Compliance with Model EPDs

Environmental Product Declaration

In accordance with ISO 14025 and EN 15804+2

Dana Lim A/S is a member of Danmarks Farve og Limindustri, DFL, which in turn is a member of FEICA, the Association of the European Adhesive and Sealant Industry. FEICA has developed European Model EPDs for different types of Sealants, Fillers, and Adhesives. These Model EPDs were verified by the independent institute IBU (Institut Bauen und Umwelt); Germany's Institute for Building and the Environment.

As a member of DFL, and with the help of internal FEICA guidance, Dana Lim A/S is entitled to determine the compatibility of its product with the FEICA Model EPD.

With this declaration, we certify that Dana Lim products are compliant with the specific EPD model according to the FEICA guidance developed for this purpose. This means that the LCA data and the other content of the attached Model EPD apply to the below-mentioned products and can be used for the assessment of buildings.
