APPLICATIONS	Refer to the CleanSpace WORK Power Unit Data Sheet (CS3001WORK) for information on suitable respirator applications.
LIMITATIONS	CleanSpace respirators are air filtering, fan assisted, positive pressure systems and designed to be worn in environments where there is sufficient oxygen to breathe safely. Do not use CleanSpace WORK in environments that are immediately dangerous to life or health (IDLH), to protect against gases/vapours, or in oxygen enriched or deficient atmospheres.
EDUCATION	Contact sales@cleanspacetechnology.com or visit the CleanSpace website for details.
WARRANTY	Visit www.cleanspacetechnology.com/warranty to read important Warranty. Consumable parts are warranted up to the point of use, provided they have been stored correctly and are within their expiry date.
